### 4. Appendix 2 – Questions & Answers

#### What other competition formats were considered for adult championships?

Straight knockout championships were considered and could be completed in 9 weeks – but ruled out as not fair on players to have only one guaranteed game.

Straight knockout with a backdoor was also considered but would actually take longer that the proposed round robin formats.

### Is there enough time for the proposed round robin formats?

Yes – but games will have to be played as scheduled and knockout games finished on the day. Some games will have to be scheduled for mid-week.

#### What about other competitions - 2020 leagues, Knockout Cups, U19/U21 or Regional?

The current focus is on getting the 2020 championships played. The intercounty window after Oct 11<sup>th</sup> could be used for other club competitions depending on weather etc. No decisions on this will be made until later in the year.

#### What about match day protocols to keep everyone safe?

The GAA has published comprehensive safe return to play guidelines. All clubs and members should read and internalise the guidelines – and stay up to date with any changes to the guidelines over the coming months.
