## FROM OUR SPONSORS

It is great to see the underage GAA players out training and starting to play competitive games again.

We have been through the most difficult time any of us has ever seen and hopefully we are starting to come out on the other side and have a lot to look forward to. I always look forward to the start of the underage competitions every year and while we are still trying to finish up 2020 competitions and get the 2021 competitions underway, it is great for the players, mentors, parents and supporters to have the prospect of great games, camaraderie and sportsmanship to look forward to.

Best of luck to all involved and especially to the referees and officials who give up huge amounts of time and effort, and without whom the games could not happen.

Thanks to Brian and Coiste Mionúir an Mhí who have worked tirelessly to get the competitions for 2020 completed and the 2021 competitions underway. I am delighted to be asked to sponsor these competitions and look forward to presenting the trophies to the winners, but remembering that you are all winners as far as I, and all GAA supporters, are concerned.

Best of luck to all!

It gives me great

everyone here to

Dunganny today for  
what will hopefully

all that is good in  
Gaelic football in our  
much delayed

As a mentor on the

team, today has  
added importance  
for me personally.

We have waited a  
long time for these  
finals and I wish

each team and

today. You all

deserve your day  
and I have

absolutely no doubt

To all the parents,

# CHRISTY TORMEY; REMEMBERING THE DONAGHMORE/ASHBOURNE STALWART

On January 15, 2016 it was with shock and sadness that the Donaghmore/Ashbourne club learned of the sudden death of Christopher Tormey.

Known to many within the club as Christy, he and his wife Eithne were loyal followers of Donaghmore/Ashbourne and Meath football. Such was his love of football, he and Eithne would attend a number of games in a weekend especially at championship time when they would attend several club games even when Donaghmore Ashbourne were not in action! They travelled the length and breadth of the country following the Royals. He was a man with an extremely sharp sense of humour and wit. In a one to one situation he was great company and very knowledgeable when it came to football affairs. Behind the tough exterior Christopher was a true gentleman and a shy, quiet man. He had a great heart and would go out of his way to help someone in trouble especially if it involved cars or machines and in particular when it came to the Donaghmore/Ashbourne GAA Club. He was an extremely hard worker and he (and Ozzy) would be well known around the farming communities of North Leinster and South Ulster.

He was a former Donaghmore player and in the days when the game was slightly tougher than they are now he was known to hold his own on the field. He was also a junior selector with the club and was well respected and liked by all the players in the squad.

Christopher was always willing to help the club and would be seen doing the line at many senior football games. Behind the scenes he would be carrying out repairs and often spent days and hours repairing the grass cutting machine or even cutting the grass itself. His last attendance at a club function was when he was among the small regular attendees at the 2015 Adult Football AGM just days before his passing.

While it may be used out of context at times it is fitting and appropriate to say that Donaghmore/Ashbourne lost one of its legends and true supporters in 2016. It is a great honour for the entire Tormey family and Donaghmore/Ashbourne GAA Club to have Christopher remembered by Meath GAA in presenting this trophy this weekend.

Thank you to all involved.

## **SIMONSTOWN'S CIARÁN CONLON HAS LEFT A LASTING LEGACY**

The late Ciarán Conlon played a very significant role both as player, coach and administrator in the Simonstown Gaels club. Simonstown won their first ever adult title, then a Division 2 title when they beat Duleek in the 1987 final and it was Ciarán's goal that was pivotal to the replay win. During the 2000s he took up a coaching role at adult level and quickly immersed himself to the point where he assumed the position of juvenile chairman, breathing new life into this sector with his organisation, people skills and calm manner that helped to negotiate any tricky issues that may have arisen.

His work in those years manifested in the progress of so many teams, most notably the 2010 Feile team which reached the All-Ireland semi-final in Derry that his son Brían was involved in.

Ciarán's family remain heavily involved in Simonstown to this day. His wife Josephine is one of the club's strongest supporters, while his sons Brían and Sean are key members of the club's senior squad.

Brían is also currently on the Meath squad while daughter Orla is a regular on the senior ladies team. A lasting legacy for a great man.
