FÁILTE

Colm O'Rourke

Meath Senior Football Manager

I am delighted to see Meath GAA embrace a regional championship. The competition will afford a wonderful opportunity to players from Junior and Intermediate clubs to proudly represent their region & demonstrate that they can perform at a higher level.

Kerry, have long used the regional model to great success and I am hopeful that Meath will see great benefits. Meath teams that I played on were backboned by great junior & intermediate players. My management team and I will closely monitor the games to help us find talent. It would be marvelous to see some new regional players play for the Meath seniors in the years to come.

Bain sult as na cluichí.

John Kavanagh

Cathaoirleach Coiste na Mí

After a fantastic club championship season, our attentions now turn to a new initiative. The best players from the intermediate and junior championships will combine into eight regions. This will create a hyper competitive environment where players can showcase their talents. We are thankful to Dioralyte who sponsor the Regional Football Championship. Each of our regions are based on a historical element of Meath and the symbolism can be seen on the jerseys. We are hopeful this competition will be a part of creating history and that future Meath stars excelled here first.

Ádh mór.
